It is the duty of the head coach to keep a record of his players and pitchers.
704. The playing of an ineligible player will result in a protest, if protested by the head coach of the opposing team before the completion of the game. The penalty for the playing of an ineligible player will result in the replaying of the game from the point of the infraction if the protesting head coach's team loses.
705. A protest which involves an umpire's judgment may not be made. The only legal protest is one that involves a violation or misinterpretation of playing rules, or the use of an ineligible or illegal player or substitute.

The protest committee after hearing the protesting head coach and the head coach of the opposing team shall make

709. Protest may be made only on a misinterpretation of a rule and ineligibility of a player or players and must be in writing specifically identifying the rule/misapplication of a rule that is the basis for the protest. A protest which involves an umpire's judgment may not be made. The only legal protest is one in which violation of playing rules or the use of an illegal, ineligible player or an ineligible substitute is protested. A protest fee of \$100 shall be submitted with any protest to the Protest Committee. The protest fee shall be returned if the protest is upheld and shall be forfeited to Metro Baseball if the Protest Committee denies the protest.

710. A Protest Committee shall be identified prior to each game and their names documented in the official scorebook. Protests shall be made to the umpire in chief who shall refer the protest to the Metro Tournament Director who shall immediately assemble the Protest Committee. The Protest Committee shall consist of three (3) members as follows: A) The head coach of each team shall designate an adult who is not a coach to represent his team. B) The Tournament Director or his designee (must be a neutral adult not affiliated with either team's park) will be the third member.

711. Any team head coach or adult who withdraws a baseball team from the playing field prior to the official completion of the game shall forfeit all rights to protest as prescribed in this section. He shall forfeit this game by a score of six (6) to nothing.

Players or coaches who are ejected may not return to the game, An ejected player or coach must immediately leave the dugout and the playing field and shall not participate further in the game, When a player or coach is ejected he must sit out and not participate in the next scheduled game. If the ejected player or coach attempts to play or coach in the next scheduled game that player or coach is disqualified for the remainder of the tournaments (pool play and double elimination), Metro Sports Baseball Board of Directors and/or the tournament director shall have the authority to remove or eject any coach or player for the remainder of the tournament for any flagrant unsportsmanlike conduct.

908. Head-first sliding into the next base is not permitted and runner shall be declared out; head-first sliding back into a base is permitted.

911. Infield fly rule is in effect.

912. "Slashing" - the act of faking a bunt stance, then resetting and taking a swing at the pitch is prohibited. Faking a bunt is legal as is pulling the bat back from a bunt stance, however taking a swing afterwards on the same pitch shall be illegal, and it is an

1201. Each team shall consist of twelve (12) uniformed players who meet all the eligibility requirements. If a player becomes injured or sick and cannot participate, the Coach has the option to replace that player or wait for the injured/sick player to return with no penalty. If the Coach chooses to replace the injured/sick player, the replacement shall be for the remainder of the Tournament (it is a permanent replacement for the remainder of the tournament). The replacement player must meet all the eligibility requirements and must not be on any other Metro all-star team roster. The replacement player must meet all the eligibility requirements, must not be on any other Metro all-star team roster, and becomes a permanent replacement for the remainder of the tournament.

1201(a.) All twelve (12) players on the team will bat in continuous order. If one team is unable to field the required number of players (12) for the scheduled game, that team will not be forced to forfeit a game solely because it could not provide the required number of players for the game. However, the following action will be taken: the game shall be played with the deficient team playing all members possible. A team with less than the required number of players (12) shall submit a blank in its batting order for each player less than the required number in a place selected by the team head coach and that team shall be charged with an out at each occurrence where each blank comes up in the batting order; except no out shall be charged if a player cannot play due to illness, injury, or circumstances that would be deemed "an excused absence" at school. The Tournament Director shall have the final discretion to determine "an excused absence." An out will be charged for an "unexcused absence" or for an ejected player. If a player is injured during the game and is unable to continue play in the game in the judgment of the home plate umpire, no out shall be charged to that team. Such injured player shall not return to that game once he/she is deemed injured by the home plate umpire.

1204. A player must be a member of a Metro Sports Baseball affiliated park league team and participate in at least four (4) or more of that teams regular season scheduled games to be eligible for the allstar team. Violation of this rule will make such allstar play-

1205. Affiliated park leagues are encouraged to have at least one (1) player on the allstar team from each team in the league.

1206. Once a player has been named to the allstar team, he cannot be replaced unless he becomes sick, injured, or moves away. No player can be chosen as a bat boy.

1207. An age division league with fewer than eight teams may have two (2) allstar teams with the approval of the Metro Sports Baseball Board of Directors or tournament director. An age division league with more than eight teams must have two (2) or more allstar teams.

1208. An age division league may enter an allstar team or a league winner in tournament play.

1209. No player may be selected for more than one Metro Sports tournament team.

1300. TOURNAMENTS

This form along with a copy of each player's birth certificate and evidence of insurance (See Rule 1309.) must be presented at the tournament credentials meeting. These records are to be inspected by the tournament credentials committee prior to the beginning of each tournament. The tournament director will appoint the credentials committee to inspect these records. These records are to be presented at all tournaments at the request of the tournament director or Metro Sports Baseball officials.

1304. There will be no changes to a Metro Sports Baseball Allstar Tournament team roster after the tournament begins unless a player is injured under Rules 304, 1201, 1201 (a), 1206, and a replacement player is required. **DO NOT VIOLATE RULES 1101 THROUGH 1104, AND RULES 1201,1201(a), 1204, 1206, and 1209.**

1305. Once a team has been certified as being eligible for tournament play the eligibility of the team cannot be questioned; however, the individual player can be disqualified if proven ineligible by violation of any rule governing Metro Sports Baseball players.

1306. No team will be required to play more than two (2) games in the same day during the same tournament.

9 & 10 YEAR OLDS

Each team's General Liability insurance policy must name Metro Sports Baseball, Inc. and its Board of Directors as an "Additional Insured" under the policy.

1310. The tournament brackets shown in this Rule Book shall be used in all tournaments. Games may be delayed or postponed due to weather or darkness, however, a delayed or postponed game shall not be cancelled. All games shall be played in pool play and double elimination tournaments as scheduled.

1311. All teams shall draw for position in the pool play tournament; in double elimination tournament teams shall be seeded (bracketed) according to seedings determined from the results of the pool play tournament. The host team will have the choice of the game time on opening day of the double elimination tournament only, thereafter the host team shall revert to their seeded (bracketed) position. In pool play and double elimination tournament the home and visitor will be decided by the flip of a coin by the head coaches of each respective team prior to the start of the game.

1312. Metro Sports Baseball shall furnish the trophies for the Metro Sports Baseball Tournament CHAMPIONSHIPS. Trophies shall be awarded to each player on the first place team and trophies or medallions shall be awarded to each player on the second place team.

1400. ADMISSION TO GAMES

11 & 12 YEAR OLDS

The 11 & 12 year old league division of Metro Sports Baseball, Inc. is organized as a baseball tournament program for youth ages 11 & 12. Rules set forth in this book shall govern all tournament play.

100. THE PLAYING FIELD

101. First and third baselines shall be seventy (70) feet from the point of home plate.
102. The distance from the point of home plate to second base and from first base to third base shall be ninety-nine (99) feet.
103. The pitching distance shall be fifty (50) feet from the point of home plate to the front of the pitching rubber.
104. The home run distance should be 200 feet. The maximum home run distance shall be 250 feet.
105. The height of the pitching rubber above the level of home plate shall be raised by a gradual slope to six (6) inches. The strike zone shall comply with major league rules.

200. EQUIPMENT

201. All players must wear a numbered baseball uniform. A uniform consists of a cap, shirt, pants and stockings. Shirts must be tucked inside pants. Team uniforms should be the same color. T-shirts (sleeves) of not more than two colors may be worn with the uniform. Pitchers may not wear T-shirts with white sleeves showing. In all tournament play coaches must wear coordinated coach's shirt and team caps.
202. No metal cleats shall be allowed.
203. A pressure type protective batting helmet with protective face mask, with full ear flaps and chin strap, must be worn by all batters and base runners. A player refusing to wear the protective helmet, after being warned to do so by the umpire, will not be allowed to continue as a player in the game. The substitute will assume the ball and strike count if the player was a batter, or will take his position on the base he occupied if he was a base runner.
204. All players should wear athletic supporters.
205. Catchers must wear a protective cup and throat protector.
206. Catchers must wear a protective helmet or plastic cap with, or attached to, the mask and full catcher's equipment while on defense.

11 & 12 YEAR OLDS

300. SUBSTITUTION RULES

301. Metro Sports Baseball for this age division is played under re-entry substitution. Any starting player (pitcher included) may be removed from the game by being replaced with a substitute, and then return to the lineup one time; however, the starter must replace the first player who replaces him and be inserted in the same position in the batting order that he possessed at the start of the game. The substitute must be inserted in the same position in the batting order as the starter. (NOTE: A substitute who replaces a starting player may be replaced by another substitute. However, in doing so, the starting player and the substitute that replaced the starting player are both out for the remainder of the game. Also, DO NOT VIOLATE PITCHING RULES, see Rule 605.) Once the substitute has been removed from the game he cannot return. The substitute can make only one appearance in the game. EXCEPTION: See Rule 303, A coach must notify the official scorekeeper of each batting substitution when made. Failure of a coach to notify the score keeper of a batting substitution will result in the coach receiving a warning from the tournament director once the opposing coach identifies the infraction. (This rule would nullify the batting out of order rule as described in the major league baseball rule book.) (See Rule 607 regarding failure to report pitching change.) (Rules Committee comments: Failure of a coach to notify the scorekeeper of a substitution only comes into play when an opposing coach, not the scorekeeper, notifies the scorekeeper or umpire of the failure of the coach to announce the substitute. If the scorekeeper or umpire is not notified of the violation by the opposing coach before the inning ends, there is no violation. The scorekeeper/umpire must be notified in the inning the violation occurs, otherwise, it is too late and there is no violation. The opposing coach, not the scorekeeper, is responsible to raise the issue that this rule is violated. If the opposing coach does not raise the issue, the scorekeeper should remain silent on the violation of this rule.)

302. A batter removed from the game because of too many appearances on the field by a coach in one inning, cannot return to the game until this half inning of play has been completed. Should this batter be a substitute player, he cannot return to the game at all, because a substitute can make only one appearance. EXCEPTION: See Rule 303.

303. If a head coach has used all of his eligible players and a player is ejected, injured, or becomes ill and cannot continue, then the OPPOSING HEAD COACH must

11 & 12 YEAR OLDS

select one or more of the players on the bench who have already been in the game to replace the ejected, ill, or injured player or players. However, an ejected player cannot return to the game under any circumstances. If there is no one for the opposing head coach to select then the game will be forfeited. **WARNING: DO NOT VIOLATE ANY PITCHING RULE.**

304. In the judgment of the umpire, if a defensive player is injured by being hit in the face, throat, or head and cannot continue to play, time will be called immediately and all players awarded one base. Any other injury deemed serious enough in the judgment of the umpire will be handled in the same manner. A coach must not enter the field until time is called by the umpire. **NOTE: THIS IS A JUDGMENT CALL AND CANNOT BE APPEALED OR PROTESTED.**

400. HEAD COACH AND COACHES

401. Two adults may coach the bases. In all tournament play coaches must wear coordinated coach's shirt and team cap. Each team shall have a head coach and up to three (3) assistant coaches.

402. All players and coaches must remain in the dugout, on the benches, or in the prescribed areas throughout the game.

403. Any coach who calls time and goes onto the playing field more than one (1) time in one inning (not game) per pitcher to talk to a player or players, will be required to remove the current pitcher from the mound. Once removed, the pitcher shall not return to the mound to pitch in that game. See Rule 605.

404. Any coach going onto the playing field to talk to the same batter (or a batter going to the dugout or bench to talk to a coach) more than one (1) time per batter per inning will be required to remove the current batter from the game and make a substitution in the line-up. **NOTE: The only exception to Rule 403 and 404 is in the case of injury or if the time is called by the opposing team or umpire.**

405. Only registered players or coaches of the team are permitted on the coaching lines. The coaches, whether or not they are on the coaching lines, may moderately dispute any decision or may discuss any point with the umpires to the extent allowed by the rules of baseball, but if he at any time makes any derogatory remarks about, or to the opposing players, he shall immediately be ejected from the game.

11 & 12 YEAR OLDS

500. REGULATION GAMES

501. Pool play games shall be six (6) innings or 1 hour and 45 minutes in duration, whichever comes first. Double Elimination games shall be six (6) full innings in duration. In pool play tournament only, if the game is tied after six (6) full innings or 1 hour and 45 minutes, the teams shall only play one (1) extra inning. If the game is still tied after the one (1) extra inning the game shall end and each team shall be counted with one-half win and one-half loss for seeding purposes. In double elimination tournament, if the game is tied at the end of six (6) complete innings of play, extra innings shall be played until a winner is established. A team may concede without penalty. Except for the 10-run rule stated in Rule 503, in order for a game to be a complete game, it must be a full six (6) inning contest for double elimination games or a full six (6) innings or 1 hour and 45 minutes for pool play games, regardless of any delay due to rain, darkness, protest, tie or any other cause; no tournament game may be started until the completion of the interrupted game. EXCEPTION: if a team is leading its opponent by at least ten (10) runs in accordance with Rule 503, the game shall be terminated and the team in front declared the winner. In application of time limits or Rule 503, the home team shall always be allowed to bat unless they are leading.

502. In the event a game is halted or delayed before completion due to rain, darkness, protest, tie, or any other cause, it must be resumed from the point of termination when the game is rescheduled by tournament officials, with as nearly the same lineup as possible. WARNING: DO NOT VIOLATE ANY PITCHING RULE.

503. If a team is leading its opponent by at least ten (10) runs after four (4) innings have been played, or three and one-half (3 1/2) innings if the home team (2nd team to bat) leads by at least ten (10) runs, the game shall be terminated and the team in front declared the winner.

600. PITCHING RULES

601. A pitcher may pitch fourteen (14) innings in a tournament. Once he has pitched fourteen (14) innings in the tournament he cannot pitch any more in the tournament. Pool play tournaments and double elimination tournaments are considered to be two separate tournaments, therefore, a pitcher may pitch fourteen (14) innings in the pool play tournament and another fourteen (14) innings in the double elimination tournament, however, the innings may not be accumulated for both tournaments.

602. If any pitcher pitches three (3) full innings and then throws to another batter in the same game or day, he will not be eligible to pitch until he has had forty (40) hours rest, beginning with the time he leaves the pitching mound as a pitcher.

603. If a pitcher pitches no more than three (3) full innings in any day, he may be used on as many consecutive days as desired provided he does not exceed the fourteen (14) innings rule.

604. A pitcher can pitch in consecutive games in the same day, if he does not violate any of the pitching rules herein.

11 & 12 YEAR OLDS

605. A pitcher shall only make one (1) appearance on the pitching mound per game. Once the pitcher is removed from the mound he cannot return to the mound to pitch in that game.

606. An inning is interpreted to mean the following: If a pitcher pitches to one man and is removed from the pitching mound before he is retired, he is charged with pitching one-third of an inning. If he is removed after retiring one batter, but after he has pitched to the next batter, he is charged two-thirds inning. If he is removed after retiring two batters, but after he has pitched one pitch to the next batter, he is charged with pitching a complete inning.

607. It is not necessary to register pitchers. Any team member may pitch, subject to the other restrictions of the pitching rules. However, any pitching change during a game must be reported by a coach to the official scorekeeper. Penalty for not reporting the pitching change: For the first violation, the head coach shall receive a warning. For a second infraction, the head coach is suspended for the remainder of the game, he must leave the field, and not participate any further in the game. (Rules Committee comments: Violation of this pitching rule must be reported to the scorekeeper by the opposing coach before the coaches sign the pitching log on the back of the team roster forms at the end of the game. The opposing coach, not the scorekeeper, is responsible to report the violation of this rule.)

608. Pitchers are limited to seven (7) innings in any one game or day; however, if the game is interrupted for any reason before becoming official and is postponed for a period of forty (40) hours or more, then the same pitcher is allotted a new number of innings not to exceed the number of innings allowed per tournament. No pitcher may pitch over seven (7) innings in one (1) day.

609. If a pitcher pitches beyond his allotted innings per game, per day, or per tournament because of a double or triple play there is no penalty. (He was legal when pitch was made.) The pitcher will be removed after the outs are made.

610. Balks will be called by the umpires.

700. FORFEITURE AND PROTEST

701. A team failing to field at least nine (9) uniformed players within fifteen (15) minutes after scheduled game time shall forfeit the game. A forfeit shall count in tournament standings.

702. Playing illegal players or pitchers will result in forfeiture of games in which players or pitchers participate if protested by the opposing head coach or coach. Should both teams use illegal players or pitchers both teams will be credited with a loss. A youth that is not an approved player on the playing roster is an illegal player. If a player belongs to another Metro Sports Baseball team or league and participates in a game in another park he is illegal. A pitcher who has exceeded his allotted number of innings or who has

11 & 12 YEAR OLDS

not had his proper rest is illegal, and the game will be forfeited if protested.

703. An ineligible player is one who is legally a member of the team but who is ineligible to play or pitch in a particular game or games because of an infraction of the rules, or because of a previous violation or disciplinary action. It is the duty of the head coach to keep a record of his players and pitchers.

704. The playing of an ineligible player will result in a protest, if protested by the head coach of the opposing team before the completion of the game. The penalty for the playing of an ineligible player will result in the replaying of the game from the point of the infraction if the protesting head coach's team loses.

705. A protest which involves an umpire's judgment may not be made. The only legal protest is one that involves a violation or misinterpretation of playing rules, or the use of an ineligible or illegal player or substitute.

706. A protest committee shall be identified prior to each game and their names documented in the official score book. Protests must be made to the umpire in chief who will in turn refer the protest to the Metro Sports Baseball Tournament director. The tournament director and umpire in chief will then call in the members of the protest committee. The protest committee in tournament play shall consist of three (#3) members as follows: A. The head coach of each team will identify an adult who is not an official coach to represent his team in the event of a protest. B. The tournament director or his designee is the third member of the protest committee unless his team is involved, whereby he will identify a neutral adult as the third protest committee member. An official book of major league baseball rules for the current year, as well as a current metro sports baseball incorporated rule book will be immediately available for use by the protest committee.

707. A protest based on the violation or misinterpretation of a rule must be made before the next legal pitch. All other protests including ineligibility or legality of a player, must be made before the team leaves the playing field. Protests must be made to the umpire in chief. The protest committee after hearing the protesting head coach and the head coach of the opposing team shall make a decision and that decision will be final. There will be no appeal of the protest committee's decision.

708. Protest may be made only on a misinterpretation of a rule and ineligibility of a player or players and must be in writing specifically identifying the rule/misapplication of a rule that is the basis for the protest. A protest which involves an umpire's judgment may not be made. The only legal protest is one in which violation of playing rules or the use of an illegal, ineligible player or an ineligible substitute is protested. A protest fee of \$100 shall be submitted with any protest to the Protest Committee. The protest fee shall be returned if the protest is upheld and shall be forfeited to Metro Baseball if the Protest Committee denies the protest.

709. A Protest Committee shall be identified prior to each game and their names doc-

POOL PLAY/ROUND ROBIN TOURNAMENT FORMAT

4, 5, 6 AND 7 TEAM POOL PLAY/ROUND ROBIN TOURNAMENTS

The pool play/round robin tournament is used to determine the seeding for the double elimination tournament.

The four (4), five (5), six (6), and seven (7) team pool play/round robin tournaments should be conducted so that each team plays all of the other teams one time. The results are then tabulated in accordance with the rules 'Determining Pool Play Winners' on pages 45 through 47 to determine the seeding for the double elimination tournament (see Suggested Guidelines for Pool Play/Round Robin Tournaments on pages 43 and 44).

8, 9 AND 10 TEAM POOL PLAY/ROUND ROBIN TOURNAMENTS

8, 9 and 10 team pool play/round robin tournaments should be conducted as follows:

- The teams should be divided into two separate divisions, Pool A and Pool B. The Teams should be placed in pool play divisions by random draw, with the following exceptions:
- A park with 2 teams in the tournament (e.g., 2 teams in the American 12 yr. old tournament) should have 1 team in each pool division.
- If there are parks with 2 teams in the tournament, each pool division should have an appropriate balance of number 1 and number 2 teams. For example, if Hoover and

Vestavia each have 2 teams in the 10 yr. old American tournament, then Hoover Number 1 and Vestavia Number 2 should be placed in Pool A, and Hoover Number 2 and Vestavia Number 1 should be placed in Pool B.

At the end of play in each pool play division, the teams should be ranked in their respective pool play division in accordance with the rules "Determining Pool Play Winners" on pages 43 through 47. The teams will then play as follows to determine the seeding for the double elimination tournament:

- 1st Place Pool A plays 1st Place Pool B: Winner is No. 1 Seed, Loser is No. 2 Seed
- 2nd Place Pool A plays 2nd Place Pool B: Winner is No. 3 Seed, Loser is No. 4 Seed
- 3rd Place Pool A plays 3rd Place Pool B: Winner is No. 5 Seed, Loser is No. 6 Seed
- 4th Place Pool A plays 4th Place Pool B: Winner is No. 7 Seed, Loser is No. 8 Seed
- 5th Place Pool A plays 5th Place Pool B: Winner is No. 9 Seed, Loser is No. 10 Seed

For pool play/round robin tournaments with an uneven number of teams (7 or 9), the procedure is the same except the last place team in the pool division with the larger number of teams will be seeded last in the double elimination tournament. For the "kid pitch" age groups, ages 9 and above, there shall be a one day break between the pool play and elimination portions of the tournaments unless there is an exception granted by metro Board of Directors.

DETERMINING POOL PLAY WINNERS

The following procedure is to be used when, at the conclusion of each round of pool play, there is more than one team in the pool with the same win-loss record. Ties in each round of pool play are decided independently using this procedure:

- A. When two (2) teams tie for a position, the team which defeated the other is the winner.

- B. When three (3) teams tie for a position:
 - 1. If one of the three teams is 2-0 in games against the other 2 teams, that team is the winner.

 - 2. If all three teams are 1-1 against each other, the team with the least number of runs allowed (maximum of ten (10) runs per game) in games against each other is the winner. If two of these three teams tie with least runs allowed, return to situation A for these two tied teams.

 - 3. If the three teams are still tied with least runs allowed after step 2, the teams with the least number of runs allowed (maximum of 10 runs per game) in all pool games is the winner. If two of these three teams tie with least runs allowed, return to situation A for these two tied teams.

 - 4. If the three teams are still tied with least runs allowed after step 3, the team with the most number of runs scored in games against each other is the winner. If two of these three teams tie with most number of runs scored, return to situation A for these two tied teams.

 - 5. If the three teams are still tied after step 4, the team with the most number of runs scored in all games is the winner. If two of these three teams tie with the most runs scored, return to situation A for these two tied teams.

 - 6. If it is necessary to determine the second place team, the winning team is dropped, and situation A is used for the two remaining teams.

C. When four (4) teams tie for a position:

1. If only one (1) team is 2-1 in games against each other, that team is the winner.
2. If two (2) teams are 2-i in games against each other, use situation A.
3. If three (3) teams are 2-1 in games against each other, use situation B.
4. If it is necessary to determine the second place team, the winning team is dropped and the rules reapplied for the teams remaining.

Example I:

Team A	2 wins	1 loss
Team B	2 wins	1 loss
Team C	2 wins	1 loss
Team B	0 wins	3 losses

To break the tie to determine the pool winner, first look at the games played.

Team A results:

A vs. B	A-2	B-6
A vs. C	A-11 (Allow 10)	C-1
A vs. D	A-7	D-2

Team B results:

B vs. A	B-6	A-2
B vs. C	B-10	C-13 (Allow 10)
B vs. D.	B-6	D-1

Team C results:

C vs. A	C-1	A-11 (Allow 10)
C vs. B	C-13 (Allow 10)	B-10
C vs. D.	C-8	D-0

Since teams A, B and C are tied for first place with two wins and one loss each, and are 1-1 against each other, rule B.2 from above is used and least number of runs allowed in the games involving the three teams (excluding games with Team D) are considered. Total runs in the appropriate games are:

Team A	7
Team B	12
Team C	20

Team A allowed the least runs and is the winner of the pool. Second place is determined by taking the two remaining teams which were tied for first place and using situation A.

Team C is the second place team by virtue of its victory over Team B.

Example II:

Team A	2 wins	1 loss
Team B	2 wins	1 loss
Team C	2 wins	1 loss
Team D	0 wins	3 losses

To break the tie to determine the pool winner, first look at the games played:

Team A results:

A vs. B	A-2	B-6
A vs. C	A-11 (Allow 10)	C-10
A vs. D	A-7	D-2

Team B results:

B vs. A.	B-6	A-2
B vs. C	B-2	C-13 (Allow 10)
B vs. D	B-6	D-1

Team C results:

C vs. A	C-10	A-11 (Allow 10)
C vs. B	C-13 (Allow 10)	B-2
C vs. D	C-8	D-0

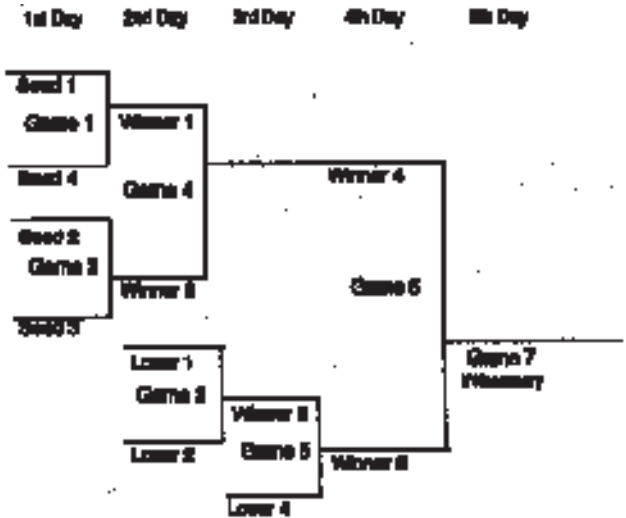

Since teams A, B and C tied for first place with two wins and one loss each, and are 1-1 against each other, rule B.2 above is used and least number of runs allowed in games among the three teams (excluding games with Team D) are considered. Total runs in the appropriate games are:

Team A	16
Team B	12
Team C	12

Teams B and C are still tied with 12 runs allowed. Team C is the winner by virtue of its victory over Team B. Team B is the second place team.
